Zoo Miami Members

Valid Zoo Miami membership passes will be accepted on field trips for the admission portion of additional chaperones only. Chaperones that are valid Zoo Miami members will need to purchase all of the additional activities scheduled by the school/camp the day of the field trip, if available, and will be charged 7% sales tax for all items. Some activities have limited space and if not reserved in advance, members may not be able to participate and will not incur a charge for that activity.

Zoo Miami Teacher Resources

Enrich your curriculum with Zoo-based activities! The Next Generation State Science Standards (NGSS) were developed by states to improve science education for all students and are followed by schools across the nation. All Zoo Miami Education Programs are tailored for K-12 audiences and support Florida’s Next Generation State Science Standards (NGSS). Contact us to see how your field trip could meet those standards today!
